### Item No.03

#### Proposal for Rain water harvesting work in BMCC. (Phase I)

Preamble : Now a days BMCC has facing a big problem of scarcity of water. In BMCC many buildings are there, and many courses are running on the campus. College is now reopening offline, so there are rush of students, teachers, and non-teaching staff whole day. In BMCC campus, corporation water comes only two to three hours in a day, and it very difficult to distribute this water to all the buildings.

'Parjanya Rainwater Harvesting consultancy' visited our college and did survey for rainwater harvesting in BMCC, (report attached). This project will help to recharge the underground water-level in BMCC campus, and it will meet our daily water requirement, thus reducing the water bill and improving the water availability. To provide sufficient water to all the departments in the campus, we need to do rainwater harvesting work in BMCC, hence the resolution. **BMCC/CDCR-04/30.06.2022:-** Resolved that, it be recommended to GB through Finance Committee DES and Estate Committee that the Principal, BMCC be authorized to give the work of Rainwater Harvesting in BMCC Campus (Phase I) to 'Parjanya Rainwater Harvesting Consultancy, address:209, Greenland 2, Viman nagar, Pune-411014, Contact No. 9860577364, as per the following details. It being understood that the expenditure will be made from the funds of BMCC available with BMCC.
