LATE SHRI VIJAY A. CHAVAN MEMORIAL LECTURE AND MOOT COURT COMPETITION 2020

Unmesh S. Datar
Dhruva J. Bhawe
SYBCOM

Late Shri Vijay Chavan Memorial lecture and Moot court competition was conducted on Saturday 25th January 2020. This was the fourth consecutive year of the competition.

The event is unique because it is conducted by a Commerce College and over a four year period it has become very popular. This year the competition was held at national level.

The preparations for the event commenced early November. The organising team comprised of thirty volunteers from BMCC and a team from DES' Shri. Navalmal Firodiya Law College. There were various committees that looked into the conduct of the event. Multiple rounds of PR were conducted. The total number of teams were twenty -10 each from commerce faculty and law faculty. The competition is judged separately for both the streams.

The event began with a Memorial Lecture by our Chief Guest Shri Vivek Velankar, a well known RTI activist and founder of Sajag Nagrik Manch- a citybased NGO. He deliberated on the topic: Right to Information in Banking Sector. He quoted a variety of cases in the sector and made it very interesting and illuminating for the audience

The registration and allotment of team codes had begun at 8:30 am There was an esteemed panel of 10 judges, all of them lawyers who are practicing in the high court and have a special place in their lives for Shri. Vijay Chavan sir. There were a total of four courtrooms- two for each section. The competition commenced after the memorial lecture and was a huge success. Students were presenting their cases, making legal arguments and even the judges were cross questioning and challenging the participants to go beyond their limit.

The organising team had a huge responsibility of carrying out the event successfully . Under the guidance of Dr.Mrs. Varsha Deshpande, Mr. Pratap Salunke (MMM's SCLC) and Miss Divya Kale along with a strong support of the DES Law team led by Mr. Aditya Bendre the event was successfully conducted. The effort of the organising team is laudable.

We are thankful to our Principal Dr.C.N.Rawal for his guidance and faculty members and administrative staff of BMCC for their support.

Report on business analytics workshop

Title- five-day workshop on business analytics

Dates-20th January 2020-24th January 2020

Introduction

The five-day workshop on business analytics has been conducted from 20th January 2020 to 24th January 2020, at BMCC, Deccan in order to spread skill development training programs. This workshop is in association with Makeintern and E-cell (IIM Calcutta).

- Speaker's profile

Kanchan Kumar Bhowmik

(Data scientist/ Mentor)

- Data Scientist & Mentor with 15+ years of experience on Information Technology.
- Expertise on Data Science, Machine Learning, Artificial Intelligence, Business Analytics & Python.
- Certified Data Scientist and Cyber Security Expert from Govt. of India.
- Corporate Trainer, Consultant & Speaker for Universities, Govt. of India and MNC's.

Body

On Day -1, Mr. Kanchan Kumar Bhowmik (sir) initiated the workshop with a friendly introduction and letting the students understand why they are taking up the workshop and all the hidden benefits. As it was the first day the topic discussed was introduction to business analytics and students were very excited to attend it.

Day-2 was all about artificial intelligence, machine learning, deep learning, introduction to Numpy and using python/ jupyter notebook.

Day-3 we learnt about data visualization and data visualization using Matplotlib, what is web scraping, different web scraping tools and web scraping using beautiful soup.

Day-4 we learnt about text mining & NLP tutorial, time series analysis and forecasting and the exciting part was where we got to discuss about our business ideas and how creative others were with their business ideas and how we can make our ideas better.

Day-5, last day of the workshop was objective segmentation and case study round, and finally the competition round (the finale is held at E-Cell IIM Calcutta) in association with B-plan Championship. Certificate distribution ceremony was held before signing off.

Conclusion

The workshop was very eventful and we got to learn new things every single day and the expert mentoring us made us really think deep into our thoughts for some excellent business plans which might actually succeed and given that the workshop was 30 hours in total, dividing 6 hours per day with breaks for refreshments, it wasn't overly tiring.

Recommendations-

Being a part of the workshop and attending it properly the only thing I can say, is that the workshop has taught a lot of things that most of the people are not aware of or they don't think they need it until they actually try to do it, so these kind of workshops should be conducted more often so that the students at least have a basic knowledge of something other than their college syllabus and the students who are interested can excel in topics like these.

- Coordinators

- Faculty coordinator: Dr. Rajeshree Gokhale.
- Sub coordinator: Prof. Neetika Sharma.
- Student coordinator: Radha Rohit Chaudhari, Harpreet Kaur Raghuvanshi.
