DEPARTMENT OF BUSINESS PRACTICES

- Dr. Smt. Rajeshree Gokhale

The academic year 2020-21 was quite challenging because of Covid-19 pandemic and lockdown restrictions. Despite such trying times, the Business Practices Department of Brihan Maharashtra College of Commerce in association with the Study Circle Department, tried to engage and motivate its students in every possible way so that their academic and intellectual growth didn't suffer. As the world moved towards embracing the virtual online mode, the department also dived in and accepted the 'new normal'. Amidst all the uncertainties, various online activities and guest lectures were organized to help the students maintain a positive and healthy mindset.

The department organized the following activities during the year 2020-21:

MONTH	CLASS	TOPIC	SPEAKER
March	M.Com	Ratio Analysis	CA Ms. Smruti Patwardhan
March	M. Com	Working Capital Management	Dr. Prashant Sathe

June	M.Com	Health and Pharma Industry - An Ethical Dilemma	Mr. Pratik Potdar
June	M.Com	Business Ashram Case Study	Dr. Balkrishna Damle

We might have started with a perplexed mind in the beginning but throughout the year we strived hard to not allow the situation to disrupt our spirits. In this journey of learning, unlearning and relearning, we also had with us Dr. R.P. Kuchekar, Prof. Preeti Rajguru, Dr. Asma Bagwan, Prof. Neetika Sharma and Prof. Manali Chavan. Here, we would also like to mention that the journey was possible only because of valuable guidance and unflinching support of our Principal and Vice Principals.

NCC REPORT 2020-2021

National Cadet Corp (NCC) is the largest Uniformed Youth Organization in the world which is also a tri- service organization where cadets from Army, Navy and Air wing are trained together. NCC training is not only focused on military training, but it also gives emphasis on social and environmental betterment of cadets, for those various activities and programs are conducted throughout the year. When it is about such activities, BMCC NCC always leads from front. Our college has been conducting various environmental and social awareness activities for last many years, but this year was quite different due to the Pandemic induced lockdown situation all over the world. Though we were unable to get out of our homes, we conducted various online as well as offline activities throughout the year, those activities are as follows:

- **CLEANLINESS DRIVE:**

As a part of ‘Swachh Bharat Abhiyan’ we conducted a cleanliness drive in our college and nearby places. It is important to keep our locality clean to enjoy a happy and healthy life.

- **Enrollment of new batch:**

New batch of cadets was enrolled in the month of October. Total 30 cadets gave the selection test and 17 were selected this year. Various tests like running, push-ups, pull-ups, crunches, etc. were taken on the day of selection.

- **KARGIL VIJAY DIWAS:**

Every year we celebrate Kargil Vijay Diwas on 26th July, to celebrate the victory of Operation Vijay in 1999. This year due to Covid-19 pandemic we conducted an online activity, where we made various paintings and poems and dedicated it to all martyrs of Kargil war and their families.

- **AATMANIRBHAR BHARAT MISSION:**

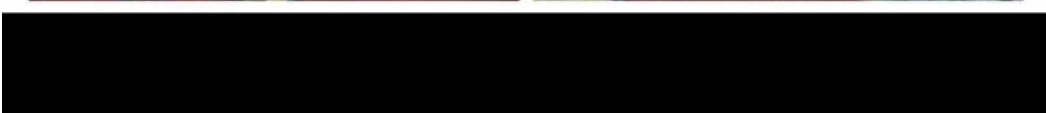

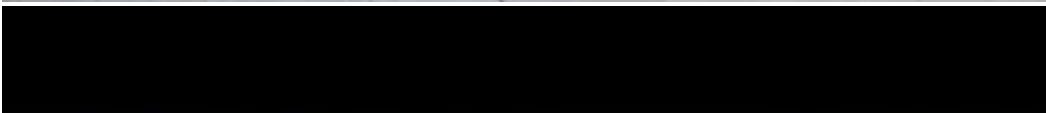

To promote the call of our Prime Minister Narendra Modi for Aatmanirbhar Bharat, it became our responsibility to bring awareness among people to promote our indigenous products. Aatmanirbhar Bharat mission is a very important program as it will reduce our dependency on foreign products and increase the overall growth of our nation.

- **Best out of West:**

Today, we are facing various problems due to over production of plastic and unorganized management of waste. So, to bring awareness among people to not create

waste and make something useful out of it, we conducted an online activity called 'Best out of West'. In this activity, we created various useful and innovative products out of garbage and scrap.

- **Tree Plantation:**

Tree plantation becomes the most important task in current situation where climate change has become a topic of global concern. We have been facing various climate related issues due to mass deforestation and emission of carbon beyond prescribed limits. To stop this dangerous situation, we all are supposed to conserve our forests and conduct more and more tree plantation activities.

As we all know, due to Covid-19 pandemic colleges were not opened so, we conducted all the activities in the new-normal mode.

1. Before getting enrolled into the academic year 2020-21. The following activities were conducted:

☒ We created awareness for precautions to be taken to safeguard ourselves during the pandemic from covid-19 by making short videos and digital posters.

☒ Many rumours were spread during the pandemic, so we created awareness videos to differentiate between the rumours and reality to avoid the misguidance among the public.

☒ Few volunteers made some informative videos for spreading awareness: -

(a) Prakash Katari – How to make mask at home.

(b) Mayuri Newarekar – follow the rules laid by government.

(c) Pratiksha Sawant – Explanation of Section 144 (CRPC).

(d) Shweta Sattikar – Importance of yoga in life.

(e) Pranali Satardekar – Explanation of Covid-19 and how to judge its symptoms.

(f) Sayali Joshi – Home remedies to save ourselves from Covid-19.

(g) Shruti Supekar – To encourage the people to come forward and donate

☒ As per the appeal of our Prime Minister Shri Narendra Modi, he asked us all to download the Aarogya Setu Application in our cell phones. So according to his appeal 5 volunteers (Neha Borse, Darshan Shinde, Prathamesh Kulkarni, Sahil Mulani and Disha Bhise) were involved in making one short video through which the importance and positive points of Aarogya setu application was explained and motivated all the viewers to

download the application for betterment of self and the country.

• In the academic year 2020-21, 142 volunteers were enrolled in the National Service Scheme.

2. On February 19, 2021, the committee members encouraged all the volunteers to water the plants in their nearby areas, this activity was conducted on the occasion of Shri Chattrapati Shivaji Maharaj's Birth Anniversary.

3. March 16, 2021, As India observes National Vaccination Day. So, the committee members asked all the volunteers to prepare a Power point presentation on any one of the vaccines which deals with any disease or disorder.

4. March 28, 2021, the committee members conducted an activity of Addiction Riddance in which 120 volunteers actively participated by making posters and short videos.

5. On April 2, 2021, NSS department organized a guest lecture on the topic of Importance of Balance Diet and Nutrition.

6. On April 11, 2021, the committee members conducted a voluntary activity on the topic Mental Health in which volunteers were encouraged to come forward and speak anything related to the topic as well as it could be their personal experience as well.

7. April 12, 2021, Blood Donation Camp was organized at University.

8. On April 17, 2021, the committee members conducted an activity in which various social issues like dowry system, female feticide, bribe system, women safety, anti-social behaviors, poverty and unemployment, health care and sanitization and corporate sustainability were discussed.

9. April 18, 2021, the committee members conducted an activity to enhance the communication skills and boost up the volunteers to face the audience and lose their stage fear by speaking on any one of topics of their choice or can be anything that volunteers to share by using the platform of NSS.

10. On April 22, 2021, The committee members organized a compulsory activity of tree plantation and also pledging to do watering and nurture the planted seed till it is fully grown and developed.

11. On April 25, 2021, the committee members conducted an activity of Group Discussion which held in 7 groups and in the end, each group gave the final conclusion of their discussion. The topics for group discussion were racism, gender discrimination, sexual harassment, social media, cyber bullying, health availability and views on LGBTQ community.

12. On April 29 and 30, 2021, The NSS department organized 2 days self-development camp in 3 batches. The speaker Tejaswini Ballal ma'am made this session very memorable and exciting which was beyond everybody's imagination. As it was much needy session during the pandemic.

13. May 12, 2021, A very different activity was conducted in 3 different ways to spread awareness regarding the safety of vaccination in this new normal way, as the committee members asked the volunteers to do any one of the following task :-

☒ The volunteers can shoot a small video of their parents in which parents creatively mentioned the benefits of getting vaccinated and also the vaccinated folks shared their personal experience regarding the safeness of taking vaccination.

☒ Some parents might not be comfortable with the video, so we asked the volunteers to click the pictures of their parents while holding the handmade poster in the hand on which few positive lines could be mentioned to encourage the people to take the vaccine.

☒ There might be chance that few volunteers themselves had taken the vaccines, so such volunteers can shoot a short video of themselves for sharing the experience and usefulness of the vaccine.

In the end, all the videos and pictures were clubbed together and was posted on official Instagram handle of NSS department.

14. On May 23, 2021, the committee members organized the Debate competition in three 3 rounds in which many volunteers learn to take stand for their views and opinions and also to present their views so that listener is convinced.

15. On June 5, 2021, on the occasion of World Environment Day, a guest lecture was organized by NSS department on the topic "The Biodiversity" on India's Maritime Boundaries in which Prof. Prasad Barve was invited as a guest speaker.
