

Student Progression

We have used the following processes to collect the data-

1. Circulation of google forms.
2. Transfer Certificate register.

The responses received from the students through google forms have been uploaded, whereas the number of students who have asked for transfer certificates and have indicated their willingness to obtain higher education both from India as well as abroad are more than the actual documents provided in PDF form. The students also have collected Letter Of Recommendations to study abroad.

The attached PDF contains the details of the students from the register maintained by the college.
