Shri. Balwant Gulanikar Memorial Research Grant Scheme for UG Students

CA Abhijit Gulanikar, an alumni of Brihan Maharashtra College of Commerce (Autonomous) has offered a donation to BMCC in the memory of his father Shri Balwant Gulanikar. The objective of the donation is to [engage undergraduate students in research and survey projects](#) relating to commerce, management, accounting, marketing, human resource, economics, banking and finance and any interdisciplinary fields.

Accordingly, Shri. Balwant Gulanikar Memorial Research Grant Scheme for UG Students has been introduced at BMCC. As per the Scheme research projects (upto 1 year tenure) of maximum 10 undergraduate students of Brihan Maharashtra College of Commerce, would be funded annually with per student maximum grant of Rs. 25,000/- only.

The guidelines for applying for research project funding will be available on the college website. On completion and submission of the research project report along with audited statement of expenditure, the student researcher will be awarded 3 credits.

A student should be a Second Year student of BMCC and have completed an extra credit course of 2 credits in research methodology from anywhere (within the college or through MOOCs, etc.) to be eligible to apply for funding for their research projects through the Shri Balwant Gulanikar Memorial Research Grant Scheme.

Scheme is open for eligible students. Please submit your research proposals in the prescribed format by email to researchcoordinator.bmcc@despune.org before 10th August 2023.

Further details of the Scheme are available on the BMCC website.
