

TYBBA(CA) Website Exhibition 24-2-2024

A Website Exhibition was conducted on 24-2-24 by TYBBA(CA) students. Adv. Shubhada Joshi, Director of Trimitiy Studio, inaugurated the session. She emphasized that learning is a continuous process and that they should gather as much varied experience as possible before taking up a particular formal employment.

TYBBA (CA) exhibited 10 projects of sem5 which was developed in PHP. SYBBA(CA) students exhibited 5 projects of sem3, developed in Angular this year. All students participated.

It was well appreciated by students, teachers of all courses and visitors too.
