Students should note that the detail guidelines regarding how to give online MCQ test through 'Mastersoft' have been displayed on college website. Mock test for each subject is of 10min each.

Test URL: <https://livecollege.deccansociety.org>

Important point to remember:

- 1) Ensure from your login that all the subjects have been allotted to you
- 2) For the test 'Session' to be selected is 'April 2021'
- 3) If there is message '**something went wrong**' just logout and login again (do not end your test)
- 4) As there is back-to-back test with 10min difference only, once you finish with a one subject test, to start with another subject test again go back to ITLE --- select course/subject and then start the test.
